

**BRRRRRRH!!**

## 3<sup>rd</sup> Grade Newsletter

# A Peek at the Week

### Reading: *Afternoon of the Elves* by Janet Taylor Lisle

We will be reading Chapters 11-14 in class. We will review comprehension and explore the concepts of magic and trust in the story and test out on Friday.

### Language/Spelling/Writing:

**Understanding verbs that express action.**

**Unit 18 – Chapter review of 13 through**

**17. Creative writing about magic & trust described in the novel.**

### Math: Multiplication

Repeating patterns, number sequence, & geometry. Practice times tables for 2s, 3s, 4s, 5s, 6s, 7s, 8s, 9s, 10s, 11s, & 12s. (multiplication & division)

### Science/Social Studies/ Religion/:

Discovering how our environment changes/Finish immigration, how inventors change cities/Religion "Identify Catholic Beliefs"

January 30, 2012

## Mark Your Calendar

01/30 - Dismissal at 2:15PM, School Choir  
2:15 -3:00PM

01/31 - Pajama Day "Wear a pair, share a pair"

02/01 - Crazy hat day! "Hats off to Catholic Schools!"

02/02 - Crazy sock day! "We're crazy about Catholic Schools"

02/03 - School Mass at 8:00AM

Note: We will be reading *Cupid Doesn't Flip Hamburgers* so please plan to purchase a copy for your child so that we can start this Friday.

### Administrative Notes:

- Our uniform policy is for students to wear a complete uniform each day.
- Please review and sign your child's planner each night.
- Student work papers will be sent home each week. Your child will have a chance to correct work marked below 70%.

Notes from the Teacher: I trust that your family is well and you all had a nice weekend. There was no football this weekend. Yea! But the Patriots & the Giants will meet in the Super Bowl next weekend. I plan to stay neutral and just watch those great commercials during the game. I am presently reviewing the Science Fair notebooks & will return them by Tuesday, January 31<sup>st</sup>. **Please note that Science Fair Projects are due on February 8<sup>th</sup>** (Each student is required to do a project for the Science Fair!) Keep up the practice on the multiplication facts and times table at home it's really starting to

### Inspiration for the New Year

A true friend never gets in your way unless you are headed the wrong way. Let's all thank our friends for caring enough to be there when we need them as we begin the new year.
