2/2 Science Test chapter 7

Notes from the Teacher:

Happy Monday! I hope everyone's weekend went well. This week brought us beautiful weather. We at Casa de Gomez spent the weekend relaxing and enjoying said weather. I'll be honest and say that I have been crossing my fingers for cold weather. It's much too soon for jackets and boots to be put away!

This week will be a busy one for us. Please keep an eye on the Forget me not board up above. 4th grade will be attending Mass Wednesday and Friday, Mass uniforms are a must for both. I will not be here on Friday, Feb. 3rd, but graded work will be going home as planned. Have a wonderful week!
