

# Middle School Summer Reading

Dear Middle School Parents,

On the school website you will find the summer reading list. Your child will be required to read at least two books over the summer. The rising 6th graders will have their own list to choose from. They will choose one book from their list and will be required to read one specific book. Rising 7th and 8th grade students will have one specific required reading book for each class and will choose the other book off of the rising 7th and 8th grade list. All parents, please sign the reading log for your child to turn in the first day of school. Thanks for your cooperation.

Have a great summer!
